FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

As to Count 1 of the Information:

False Statements to a Federally Insured Financial Institution 18 U.S.C. § 1014

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of: **twelve (12) months and one (1) day.**

The Court **ORDERS** the defendant to pay to the United States a special assessment of \$100.00, to the Clerk of the Court, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

All fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Darius Dajohn Burks, is hereby committed on the Single-Count Information to the custody of the Bureau of Prisons for a term of 12 months and 1 day. This term consists of 8 months on the Single-Count Information to be served concurrently with the term imposed on Count 2 of Docket No. CR15CR00407; and 7 months under 18 U.S.C. § 3147 to be served consecutively to both the 8 month term on the Single-Count Information and the term imposed on Count 2 of Docket No. CR15CR00407.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of FIVE years and one day under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation & Pretrial Services Office and General Order 18-10, including the conditions of probation and supervised release set forth in Section III of General Order 18-10.
2. During the period of community supervision, the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall cooperate in the collection of a DNA sample from the defendant.
4. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from custody and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
5. The defendant shall participate in an outpatient substance abuse treatment and counseling program that includes urinalysis, breath and/or sweat patch testing, as directed by the Probation Officer. The defendant shall abstain from using alcohol and illicit drugs, and from abusing prescription medications during the period of supervision.
6. During the course of supervision, the Probation Officer, with the agreement of the defendant and defense counsel, may place the defendant in a residential drug treatment program approved by the United States Probation Office for treatment of narcotic addiction or drug dependency, which may include counseling and testing, to determine if the defendant has reverted to the use of drugs, and the defendant shall reside in the treatment program until discharged by the Program Director and Probation Officer.
7. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the substance abuse treatment to the aftercare contractors during the period of community supervision, pursuant to 18 U.S.C. § 3672. The defendant shall provide payment and proof of payment as directed by the Probation Officer.
8. The defendant shall not view or possess any materials, including pictures, photographs, books, writings, drawings, videos, or video games, depicting and/or describing child pornography, as defined in 18 U.S.C. §2256(8), or sexually explicit conduct, as defined at 18 U.S.C. §2256(2). This condition does not prohibit the defendant from possessing materials solely because they are necessary to, and used for, a collateral attack, nor does it prohibit him from possessing materials prepared and used for the purposes of his Court-mandated sex offender treatment, when the defendant's treatment provider or the probation officer has approved of his possession of the material in advance.
9. The defendant shall not contact the victim by any means, including in person, by mail, or electronic means, or via third parties. Further, the defendant shall remain at least 100 yards from the victim at all times. If any contact occurs, the defendant shall immediately leave the area of contact and report the contact to the Probation Officer.
10. The defendant shall not possess, or attempt to possess, any materials, whether in hard copy, digital, electronic, or any other form, that depict sexually explicit and/or nude image of victim A.T. and/or that contain person identifying information, including any access devices and bank/credit card account numbers, of the victim.

11. The defendant shall not knowingly contact, or attempt to contact, the victim or her family members, including any spouse or significant other with whom the victim may share an intimate relationship, directly or indirectly by any means, including, but not limited to, in person, by mail, telephone, email, text message, or other electronic means, or through a third party.

12. The defendant shall not attempt to locate the victim or her family members, including any spouse or significant other with whom the victim may share an intimate relationship, or attempt to obtain information concerning their whereabouts, phone numbers, email addresses, or other personal identifiers.

13. The defendant shall not own, use or have access to the services of any commercial mail-receiving agency, nor shall he open or maintain a post office box, without the prior written approval of the Probation Officer.

14. The defendant shall not frequent, or loiter, within 100 feet of school yards, parks, public swimming pools, playgrounds, youth centers, video arcade facilities, or other places primarily used by persons under the age of 18.

15. The defendant shall not reside within direct view of school yards, parks, public swimming pools, playgrounds, youth centers, video arcade facilities, or other places primarily used by persons under the age of 18. The defendant's residence shall be approved by the Probation Officer, and any change in residence must be pre-approved by the Probation Officer. The defendant shall submit the address of the proposed residence to the Probation Officer at least ten days prior to any scheduled move.

16. The defendant shall not associate or have verbal, written, telephonic, or electronic communication with any person under the age of 18; except: (a) in the presence of the parent or legal guardian of the minor; and (b) on the condition that defendant notifies said parent or legal guardian of defendant's conviction in the instant offense at or prior to the time that defendant is in the minor's presence. This provision does not encompass persons under the age of 18, such as waiters, cashiers, ticket vendors, etc., whom the defendant must interact with in order to obtain ordinary and usual commercial services.

17. The defendant shall not affiliate with, own, control, volunteer or be employed in any capacity by a business or organization that causes him to regularly contact persons under the age of 18.

18. The defendant shall not affiliate with, own, control, or be employed in any capacity by a business whose principal product is the production or selling of materials depicting or describing "sexually explicit conduct," as defined at 18 U.S.C. § 2256(2).

19. The defendant's employment shall be approved by the Probation Officer, and any change in employment must be pre-approved by the Probation Officer. The defendant shall submit the name and address of the proposed employer to the Probation Officer at least ten days prior to any scheduled change.

20. The defendant shall submit to a search, at any time, with or without warrant, and by any law enforcement or Probation Officer, of the defendant's person and any property, house, residence, vehicle, papers, computer, other electronic communication or data storage devices media, and effects upon reasonable suspicion concerning a violation of a or condition of supervision or unlawful conduct by the, or by any Probation Officer in the lawful discharge of the officer's supervision functions.

21. The defendant shall possess and use only those computers and computer-related devices, screen user names, passwords, email accounts, and internet service providers (ISPs) that have been disclosed to, and approved by, the Probation Officer upon commencement of supervision. Any changes or additions are to be disclosed to, and approved by, the Probation Officer prior to the first use. Disclosure shall include both user names and passwords for all computers and computer-related devices and internet accounts. Computers and computer-related devices include personal computers, personal data assistants (PDAs), internet appliances, electronic games, cellular telephones, and digital storage media, as well as their peripheral equipment, that can access, or can be modified to access, the internet, electronic bulletin boards, and other computers. Internet accounts include, but are not limited to, email accounts, social media accounts, electronic bulletin boards, or other account on the Internet.

22. The defendant shall provide the Probation Officer with all billing records for any service or good relating to any Digital Device or Internet Account, including those for cellular phones, cable, Internet and satellite services, as requested by the Probation Officer, so that the Probation Officer can verify compliance with these requirements.

23. All computers, computer-related devices, and their peripheral equipment, used by the defendant shall be subject to search and seizure. This shall not apply to items used at the employment's site, which are maintained and monitored by the employer.

24. The defendant shall comply with the rules and regulations of the Computer Monitoring Program. The defendant shall pay the cost of the Computer Monitoring Program, in an amount not to exceed \$32 per month per device connected to the internet.

The Court authorizes the Probation Office to disclose the Presentence Report to the substance abuse treatment provider to facilitate the defendant's treatment for narcotic addiction or drug dependency. Further redisclosure of the Presentence Report by the treatment provider is prohibited without the consent of the sentencing judge.

The Court authorizes the Probation Officer to disclose the Presentence Report, and/or any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

The Court informs the defendant of his right to appeal.

On Government's motion, all remaining count(s)/underlying indictment/information are hereby ordered dismissed.

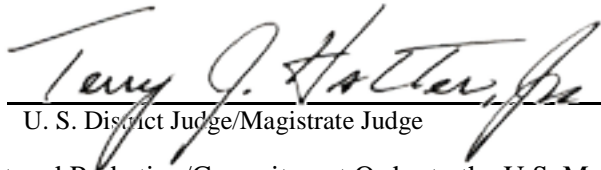

The Court strongly recommends to the Bureau of Prisons that the defendant be considered for designation to a Southern California facility.

Justification is as stated today on the record.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
